XENKA'S PROPHECIES  
Scattered Verses, Part I

Madness! Madness is all I  
can see! The world hath  
turned inside out. The  
stars shine blood red...  
Men are beasts... Beasts  
are men... Ashes... Ashes.  
The End is upon us all...  
Snakes leering in the  
void... Dancing a dance of  
death. The vision is over.  
I am without Sight...

XENKA'S PROPHECIES  
Scattered Verses, Part II

I see the Hero From  
Another World ringing the  
bells! I am not there. I  
am dead. Ring the bells.  
Oh, joy! What sweet  
music the bells make I  
am dreaming. I hear the  
bells and I wake...

XENKA'S PROPHECIES  
Scattered Verses, Part III

I See the frozen waste...  
The Hero From Another  
World is there...  
I See men who are not  
men covered in fur...  
I See the Hero From  
Another World strike...  
No! The world is  
collapsing! I cannot  
breathe!

XENKA'S VISIONS  
Scattered Verses, Part  
IV

The Hero From Another  
World will meet the  
descendants of the Silver  
Captain under the sign of  
the Bull. The Hero From  
Another World will be  
betrayed by a follower of  
the Other...
